

Serializable

```
classDiagram
    class Serializable
    class User["application.model.user.User"]
    User --|> Serializable
```

The diagram illustrates a class hierarchy. At the top is a white box with a black border containing the text "Serializable". Below it is a gray box with a black border containing the text "application.model.user.User". A blue arrow points from the top of the gray box to the bottom of the white box, indicating that the User class inherits from the Serializable interface.

application.model.user.User
