

Serializable

```
graph BT; User[application.model.user.User] --> Serializable[Serializable];
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a black border containing the text "Serializable". Below it is a gray rectangular box containing the text "application.model.user.User". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "application.model.user.User" inherits from "Serializable".
